REQUEST FOR QUALIFICATIONS **Registered Nurse Consultant**

Introduction

PACE Early Childhood Education (ECE) Program provides high quality early childhood education and support services for children aged 0-5 years old children for economically disadvantaged families. In addition to early childhood education, the program also provides health, nutrition, mental health, and parent empowerment/involvement services. This program is funded and operated under Early Head Start, Head Start, State Preschool, and California Community Care Licensing guidelines and regulations.

PACE ECE currently operates 14 pre-school centers serving 1,028 children each year in the metro Los Angeles and South Bay area and 194 children ages 0-3/pregnant women are served through our Early Head Start program.

PACE ECE is seeking qualified consultants to provide School Nurse Services for the Early Head Start and Head Start programs for Program Year 2017-18.

Position Responsibilities

- Review health/dental documents, tuberculosis, and immunization records for completion and assess the need for referral or follow-up, as necessary.
